

Pretty Ugly

Parade

You think you know me, let's find out?

Ooh, I caught you there
You were right in the minute
Your eyes boy they measured me up
So unaware
It takes more than a little time
Boy just setting us up

Ooh and it looks so together
I'm like whatever
You know I'm misunderstood
And I'm trying to let you know what's really good

You like what you see, I'm turning you on
I'm thinking there's something you should know
When it comes to me, yeah
I can be pretty, pretty ugly

So baby just step back, watch that,
You know that I ain't that
Type of girl that's letting you love me
When it comes to me yeah
I can be pretty, pretty ugly

Be pretty, I can be pretty
I can be pretty ugly
Be pretty, I can be pretty
I can be pretty ugly

Ooh, they lied to you
Had you believing
All girls were sugar and spice
Well that's not true
'Cause I know you've seen it
Hot girls aren't really that nice

Oh, but the make-up will vanish
That's when the panic sets in
'Cause you'll understand
That I'm not the kind of girl you think I am

You like what you see, I'm turning you on
I'm thinking there's something you should know
When it comes to me, yeah
I can be pretty, pretty ugly

So baby just step back, watch that,
You know that I ain't that
Type of girl that's letting you love me
When it comes to me yeah
I can be pretty, pretty ugly

Be pretty, I can be pretty
I can be pretty ugly
Be pretty, I can be pretty
I can be pretty ugly

Not saying I'm a monster
But I ain't no Barbie doll

And if you think I'm perfect
Then I'm perfectly wrong for you

So if you wanna know me, really really know me
It's gonna take some time

But if you think I'm only pretty
You don't know me

You like what you see, I'm turning you on
I'm thinking there's something you should know
When it comes to me yeah
I can be pretty, pretty ugly

So baby just step back, watch that,
Ya know that I ain't that
Type of girl that's letting you love me (love me, hey)
When it comes to me yeah
I can be pretty, pretty ugly (pretty ugly, yeah)

You like what you see, I'm turning you on
I'm thinking there's something you should know
When it comes to me, yeah
I can be pretty, pretty ugly

So baby just step back, watch that, ya know that I ain't that
Type of girl that's letting you love me
When it comes to me, yeah
I can be pretty, pretty ugly (pretty ugly, yeah)

Be pretty, I can be pretty
I can be pretty ugly
Be pretty, I can be pretty
I can be pretty ugly

Oh, oh, yeah
