Parade

Bad, that's exactly how I feel tonight
Mad, plus I'm way too cute to fight
I came to have fun, DJ play my song
Feels good inside, can't nothing mess it up tonight

You can spill your drink on my clothes
Wash it out soon as I get home
You can swing your hair in my face
I ain't tripping, just give a lil space

Been waiting on this all night
Came to have a good time
Tryna live it up with my girls
It's gonna be a good night
Everything is alright
As long as you don't step on my shoes

Don't, step on my shoes
Step on my shoes, step on my shoes
Please, don't step on my shoes
Step on my shoes, step on my shoes

All my ladies say, shoes

Now all my girls say, shoes

Hate, something that I just don't do
Fine, that's just the way we roll
I came to have fun, DJ play my song
I feel good inside, can't nothing mess it up tonight

You can spill your drink on my clothes
Wash it out soon as I get home
You can swing your hair in my face
I ain't tripping, just give a lil space

Been waiting on this all night

Don't, step on my shoes
Step on my shoes, step on my shoes
Please, don't step on my shoes
Step on my shoes, step on my shoes

All my ladies say, shoes

Now all my girls say, shoes

I feel good, I feel nice
I'm gonna party til the sunrise
When it's all done, time to go home
DJ run it back cause this my song

I feel good, I feel nice

When it's all done, time to go home
DJ run it back cause this my song
