

## Don't Belong

Paradise Lost

People say I'm in the way  
People say never betray  
Oh when I've gone, when I've gone  
You'll turn to me when I've gone, when I've gone

Need a little understanding for all I've done  
In another situation I don't belong (belong)

Every day humiliate  
Every way solemn in trait  
Oh when I've gone, when I've gone  
You'll turn the key when I've gone  
Don't belong...

Need a little understanding for all I've done  
In another situation I don't belong  
Need a little understanding for all I've done  
In another situation I would belong (belong)

Need a little understanding for all I've done  
In another situation I don't belong  
Need a little understanding for all I've done  
In another situation I would belong (belong)
