

Forever Failure

Paradise Lost

"Understand procedure
Understand war
Understand rules, regulations
I don't understand sorry"

You must feel frustration
'cause you mind feels such temptation
And your ways appear a total lack of faith

You may feel elation
At your body's re-creation
And that joy you need, restricted by one thought

Are you forever - loss of purpose in a passive life
Are you forever - pale, regarded as a waste of time

High times are courageous
But in truth they suit no purpose
Induced, reduced, unable and afraid...

Can you feel rejection
And a lack of motivation
And the joy you need restricted and delayed

Are you forever - loss of purpose in a passive life
Are you forever - pale, regarded as a waste of time

"I don't really know what sorry means"
