Gone

Paradise Lost

Accept this bitter pain
Accept this bitter pain
There's too many seasons have changed
There's too many reasons to change

And when did you decide When I'd gone?
And when did you decide to breakdown When I'd gone?

Your wrath has being unchained Your wrath has being unchained

There's too many feeling estranged There's too many leaving the stage

And when did you decide When I'd gone?
And when did you decide to breakdown When I'd gone?
