

In Truth

Paradise Lost

I - I am a vision(?)
With you
You just seem to know
I am a liar
I am a fake
In truth
You don't need to know

I - don't have the laughter
That you
Must seem to show
I am a dead man
I'm a mistake
It's true
Do I need to know?

In all I've shown
(In all I've shown)
In all I've shown
(repeated)

Hold on we all strive
We ascend for the world
We all try

I am a liar
I am a fake
In truth
Do I need to know?

In all I've shown
(In all I've shown)
In all I've shown
(repeated)
