

Never Again

Paradise Lost

Murder more or less,
The anger rages
Blame your loneliness,
Blame your situation
The essence is how
Much pleasure allowed
Solution is stealing
The times that you try,
So many must die,
Their loss so appealing
Murder more or less
The sense engages
Blame unwillingness
Blame your complications
The essence is how,
Much pleasure allowed,
Solution is stealing
Times that you try
So many must die
Their loss appealing
Is it too much to say?
Never again, never again
Is it too much to say?
Never again, never again
