

## Never Again

Paradise Lost

Murder more or less,  
The anger rages  
Blame your loneliness,  
Blame your situation  
The essence is how  
Much pleasure allowed  
Solution is stealing  
The times that you try,  
So many must die,  
Their loss so appealing  
Murder more or less  
The sense engages  
Blame unwillingness  
Blame your complications  
The essence is how,  
Much pleasure allowed,  
Solution is stealing  
Times that you try  
So many must die  
Their loss appealing  
Is it too much to say?  
Never again, never again  
Is it too much to say?  
Never again, never again
