

## Over the Madness

Paradise Lost

I've fallen down there once before  
I've fallen down there once before  
I'm always down there rest assured  
I'm always down there rest assured

Falling, hands are tied  
Anyone else but me  
Falling, hands are tied  
Anyone else but me

Calling out to end disgrace  
Calling out for death's embrace  
All around seems so obscure  
All around seems less than pure

Falling, hands are tied  
Anyone else but me  
Falling, hands are tied  
Anyone else but me

Getting over the madness  
Getting over the strain  
Getting over the madness  
Getting over the strain
