The Gods Made Heavy Metal

In the beginning there was silence And darkness all across the Earth Then came the wind and a hole in the sky Thunder and lightning came crashing down Hit the Earth and split the ground Fire burned high in the sky

From down below fire melted the stone The ground shook and started to pound

The Gods made Heavy Metal and they saw that it was good They said to play it louder than hell We promised that we would When losers say it's over with, you know that it's a lie The Gods made Heavy Metal and it's never gonna die

We are the true believers It's our turn to show the world In the fire of Heavy Metal we were burned It's more than our religion It's the only way to live But the enemies of Metal we can't forgive

'Cause we believe in the power and the might And the Gods who made Metal are with us tonight

The Gods made Heavy Metal and they saw that it was good They said to play it louder than hell We promised that we would When losers say it's over with, you know that it's a lie The Gods made Heavy Metal and it's never... gonna die!

We believe in the power and the might And the Gods who made Metal are with us tonight

We're here tonight for Heavy Metal Are you ready in the hall? They have chosen us And we have heard the call Gonna tear the roof off with out sound Crack the walls and shake the ground Fight tonight for metal one and all

'Cause we believe in the power and the might And the Gods who made Metal are with us tonight

The Gods made Heavy Metal and they saw that it was good They said to play it louder than hell We promised that we would When losers say it's over with, you know that it's a lie The Gods made Heavy Metal and it's never gonna die...
