

Tears Are Always The End

Paralysed Age

How long did we sit here last night
How deep have I been drowning
Was it all just sweet blood
And unconsciousness
The sweet taste of red wine
Your numb tongue close to mine

How long did we sit here last night
Seconds like eternity
Poison in your brain
You so close to me
Both of us so close to death

I never wanted this
But this was what I've been
Waiting for all my life
For all my life

And this is what I'll be
Waiting for all my life
For all my life
