

1. So this is how it goes
Well I, I would have never known
And if it ends today
Well, I'll still say that you shine brighter than anyone

R: Now I think we're taking this too far
Don't you know that it's not this hard?
Well it's not this hard
But if you take what's yours and I take mine
Must we go there?
Please not this time. No, not this time.

2. Well this is not your fault
But if I'm without you then I will feel so small
And if you have to go
Always know that you shine brighter than anyone does.

R: Now I think we're taking this too far...

*: If you run away now,
Will you come back around?

3. And if you ran away,
I'd still wave goodbye watching you shine bright.

R: Now I think we're taking this too far...

I'll wave goodbye
Watching you shine bright (You shine bright, you shine bright)
I'll wave goodbye tonight.
