

# Careful

## Paramore

I settled down a twisted up frown  
Disguised as a smile, well  
You would have never known

I had it all  
But, not what I wanted  
'cause hope for me was a place uncharted and overgrown

You'd make your way in  
I'd resist you just like this

You can't tell me to feel  
The truth never set me free  
So, I did it myself

You can't be too careful anymore  
When all that is waiting for you  
Won't come any closer  
You've got to reach out a little more  
More  
More  
More, more

Open your eyes  
Like I opened mine  
It's only the real world.  
A life you will never know

Shifting your weight  
To throw off the pain  
Well you can ignore it  
But only for so long

You look like I did  
You resist me just like this

You can't tell me to heal  
And it hurts remembering  
How it felt to shut down

You can't be too careful anymore  
When all that is waiting for you  
Won't come any closer  
You've got to reach out a little more  
More  
More  
More, more

The truth never set me free  
The truth never set me free  
The truth never set me free  
So, I'll do it myself

You can't be too careful anymore  
When all that is waiting for you  
Won't come any closer  
You've got to reach out

Can't be too careful anymore  
When all that is waiting for you  
Won't come any closer  
You've got to reach out  
More  
More  
More  
More, more
