

# Conspiracy

Paramore

1. Please speak softly  
for they will hear us  
and they'll find out  
why we don't trust them  
speak out dear  
cause I cannot hear you  
I need to know  
why we don't trust them

R: Explain to me  
this conspiracy against me yeah  
and tell me how  
I've lost my power oh yeah

2. Where can I turn  
cause I need something more  
surrounded by uncertainty  
I'm so unsure  
tell me why  
I feel so alone  
cause I need to know  
to whom do I owe

R: Explain to me...

\*: I thought that we'd make it  
because you said that we'd make it through  
and when all security fails  
we'd be there to help me through

R: Explain to me...
