1. I got a lot to say to you
Yeah, I got a lot to say
I noticed your eyes are always glued to me
Keeping them here

And it makes no sense at all

X: They taped over your mouth
Scribbled out the truth with their lies
You little spies
They taped over your mouth
Scribbled out the truth with their lies
You little spies

Interlude: C#m - G#m

Crush, crush
(Two, three, four!)

R: Nothing compares to a quiet evening alone
Just the one, two I was just counting on
That never happens

I guess I'm dreaming again
Let's be more than this

Interlude: C#m B (2x)

2. If you want to play it like a game
Well, come on, come on, let's play
Cause I'd rather waste my life pretending
Than have to forget you for one whole minute

X: They taped over your mouth...

Interlude: C#m G#m

*: Rock and roll, baby
Don't you know that we're all alone now?
I need something to sing about
Rock and roll honey, hey

I need something to sing about
Rock and roll, hey
Don't you know, baby, we're all alone now?

Give me something to sing about
