

Emergency

Paramore

1. I think we have an emergency
I think we have an emergency
If you thought I'd leave, then you were wrong
'Cause I won't stop holding on
This is an emergency
So are you listening?
And I can't pretend that I don't see this
It's really not your fault
When no one cares to talk about it, talk about it

R: 'Cause I've seen love die way too many times
When it deserved to be alive
And I've seen you cry way too many times
When you deserve to be alive, alive

So you give up every chance you get
Just to feel new again

2. I think we have an emergency
I think we have an emergency
And you do your best to show me love
But you don't know what love is
So are you listening?
So are you watching me?
Well I can't pretend that I don't see this
It's really not your fault
When no one cares to talk about it, talk about it
