

# Feeling Sorry

Paramore

Intro:

1. We still live in  
the same town well, dont we?  
but I dont see you around anymore  
I go to all the same places  
not even a trace of you  
your days are numbered at 24
- X1: And Im getting bored of  
waiting around for you  
were not getting any of you and I  
won't look back coz theres no use  
its time to move forward
- R1: I feel no sympathy  
you live inside a cave  
you barely get by  
while the rest of  
us are trying  
there's no need to apologize  
I've got no time for  
feeling sorry
2. Well I try not to think  
of what might happen  
when your reality it finally cuts through  
well as for me I got  
out and I'm on the road  
the worst part is that this  
this could be you
- X2: And you know it too  
you can't run from your shame  
you're not getting any of and time keeps  
passing by but you waited away  
its time to roll onward
- R1: I feel no sympathy...
- \*: And all the best lies  
that are told with  
fingers tied  
so cross them tight  
wont you pro-mise me to--night  
if it's the last thing  
you do you'll get out
- R2: I feel no sympathy  
you live inside a cave  
you barely get by  
while the rest of  
us are trying  
there's no need to apologize  
I've got no time  
got no time
