

# Forgiveness

Paramore

You hurt me bad this time, no coming back  
And I cry 'till I couldn't cry, another heart attack  
If I lay on the floor, maybe I'll wake up  
And I don't pick up when you call  
'Cause your voice is a gun  
Every word is a bullet hole  
Shot a hole in the sun  
If I never look up maybe I'll never notice

And you, you want forgiveness  
But I, I just can't do it yet

There's still a thread that runs from your body to mine  
And you can't break what you don't see, an invisible line  
If I follow it down would we just be alright?  
But it could take me all your life to learn to love  
How I thought I could love someone  
I haven't even begun  
If it's all up to us we might as well give up

And you, you want forgiveness  
(I can barely hang on to myself)  
But I, I can't give you that  
(I can't give you, I can't give you that)  
And you, you want forgiveness  
(I'm afraid that I'll have nothing left)  
But I, I just can't do it yet  
(I can't do, I just can't do it yet)

Don't you go and get it twisted  
Forgiving is not forgetting  
Don't you go and get it twisted  
Forgiving is not forgetting  
No, it's not forgetting  
No, I'll never forget it, no

And you, you want forgiveness  
(I can barely hang on to myself)  
But I, I can't give you that  
(I can't give you, I can't give you that)  
And you, you want forgiveness  
(I'm afraid that I'll have nothing left)  
But I, I just can't do it yet  
(I can't do, I just can't do it yet)
