

1. And when we get home  
I know we won't be home at all  
this place we live  
it is not where we belong  
and I miss who we were  
and the town that we could call our own  
going back to get away  
after everything has changed

R: Cause you remind me of a time  
when we were so alive (everything has changed...)  
do you remember that  
do you remember that (everything has changed...)  
could you help me push aside all that I have ever wanted  
(everything has changed...)  
Do you remember that, do you remember that

2. So we stand here now  
and no one knows us at all  
I won't get used to this  
I won't get used to being gone  
and going back won't feel the same  
if we aren't staying  
going back to get away  
after everything has changed.

R: Cause you remind...

Taking up our time  
taking up our time  
taking up our time  
taking up our time  
we can't go back  
we can't go back at all  
taking up our time  
we can't go back  
we can't go back at all  
taking up our time  
we can't go back  
we can't go back at all  
it's taking up our time  
taking up our time.

cause you remind me of a time  
when we were so alive  
do you remember that  
do you remember that
