

Strange how we found ourselves exactly where we left off  
I know you're shaking my hand like it is the first time  
Are we alright?  
Are you recounting all my faults?  
And are you racking your brain just to find them all?  
Could it be that I've changed or did you?

Stop asking why  
Why we had to waste so much time  
Well, we just pick up, pick up and start again  
'Cause we can't keep holding on to grudges

Time is a bastard I won't break my neck to get around it  
But aren't we so brave to give up a fight  
And let the years go by without us  
'Cause now I feel you by my side  
And I don't even care if it's been a while  
I can feel that we've changed and we're better this way

Stop asking why  
Why we had to waste so much time  
Well, we just pick up, pick up and start again  
'Cause we can't keep holding on to grudges

And if you wanna call me up or come over  
Come on, we'll laugh 'till we cry  
Like we did when we were kids  
'Cause we can't keep holding on to grudges

Why did it take so long?  
Why did it take so long?  
Why did it take us so long to just let go?  
Why did it take us so long to stop holding on?

Stop asking why  
Why we had to waste so much time  
Well, we just pick up, pick up and start again  
'Cause can't keep holding on to grudges

And if you wanna call me up or come over  
Come on we'll laugh till we cry  
Like we did when we were kids  
'Cause we can't keep holding on to grudges  
We can't keep keep holding on to grudges  
Could it be that I've changed or did you?
