

# Hallelujah

Paramore

1. Somehow everything's gonna fall right into place  
if we only had a way to make it all fall faster everyday  
if only time flew like a dove  
we gotta make it fly faster than I'm falling in love

R: This time we're not givin up  
let's make it last forever  
screamin "hallelujah"  
we'll make it last forever

2. Holding onto patience, wearing thin  
I can't force these eyes to see the end  
if only time flew like a dove  
we could watch it fly and just keep lookin on

R: This time we're not givin up...

\*: And we've got time on our hands  
and we've got, got nothing but time on our hands  
got nothing but, got nothing but  
got nothing but time on our hands

R2: This time we're not givin up  
oh, let's make it last forever  
screaming "hallelujah" (Hallelujah)  
"hallelujah"
