

# Looking Up

Paramore

Things are looking up  
Oh, finally  
I thought I'd never see the day  
When you'd smile at me

We always pull through  
Oh, when we try  
I'm always wrong  
But you're never right  
Oh, you're never right

Honestly, can you believe  
We crossed the world while it's asleep?  
I'd never trade it in  
'Cause I've always wanted this and  
It's not a dream anymore, no  
It's not a dream anymore  
It's worth fighting for

Could have given up so easily  
I was a few cheap shots away  
From the end of me

Taken for granted  
Almost everything  
That I would have died for  
Just yesterday  
Just yesterday

Honestly, can you believe  
We crossed the world while it's asleep?  
I'd never trade it in  
'Cause I've always wanted this and  
It's not a dream anymore, no  
It's not a dream anymore  
It's worth fighting for

God knows the world doesn't need another band  
Whoa, oh, oh  
Whoa, oh, oh  
But what a waste it would've been  
Whoa, oh, oh  
Whoa, oh, oh  
I can't believe we almost hung it up  
Whoa, oh, oh  
Whoa, oh, oh  
We're just getting started  
Whoa, oh, oh  
Whoa, oh, oh, oh

Honestly, can you believe  
We crossed the world while it's asleep?  
I'd never trade it in  
'Cause I've always wanted this and  
It's not a dream anymore, no  
It's not a dream anymore, no, oh  
It's not a dream anymore, no, oh

It's not a dream anymore  
It's worth fighting for

I can't believe we almost hung it up  
Whoa, oh, oh  
Whoa, oh, oh  
We're just getting started  
Whoa, oh, oh  
Whoa, oh, oh  
I can't believe we almost hung it up  
Whoa, oh, oh  
Whoa, oh, oh  
We're just getting started  
Yeah, we're just getting started
