

# Miracle

Paramore

1. I've gone for too long living like I'm not alive  
So I'm going to start over tonight  
Beginning with you and  
I, When this memory fades I'm gonna make sure it's replaced  
With chances taken  
Hope embraced I hope I told you

R: I'm not going  
cause I've been waiting for a miracle  
And I'm not leaving  
I won't let you  
Let you give up on a miracle  
Cause it might save you

2. We've learned to run from Anything uncomfortable  
We've tied our pain below and  
no one ever has to know  
That inside we're broken I tried to patch things up again  
To cut my tears and kill my fears  
But have I told you how I..

R: I'm not going...

\*: It's not faith if, if you use your eyes  
Oh why  
Get it right this time (this time)  
Let's leave this all behind  
Oh why  
We'll get it right this time  
It's not faith if you're using your eyes  
Oh why

3. I've gone for too long living like I'm not alive  
So I'm going to start over tonight  
Beginning with you and  
I don't want to run from anything uncomfortable  
I just want, no  
I just need this pain to end right here

R: I'm not going...

Yeah, it might save you  
Oh, it might save you  
It's not faith if, if you use your eyes  
If you use your eyes If you use your eyes
