

# The Only Exception

Paramore

1. When I was younger I saw my daddy cry and curse at the wind  
He broke his own heart and I watched as he tried to re-assemble it  
And my mama swore that she would never let herself forget  
And that was the day that I promised I'd never sing of love  
if it does not exist, but darling

R: You are the only exception  
You are the only exception  
You are the only exception  
You are the only exception

2. Maybe I know somewhere deep in my soul that love never lasts  
And we've got to find other ways to make it alone or keep a straight  
face  
And I've always lived like this, keeping a comfortable distance  
And up until now I had sworn to myself that I'm content with loneliness  
Because none of it was ever worth the risk

R: You are the only exception...

I've got a tight grip on reality, but I can't  
Let go of what's in front of me here  
I know you're leaving in the morning when you wake up  
Leave me with some kind of proof it's not a dream, whoa

R: You are the only exception... (2x)

And I'm on my way to believing  
Oh, and I'm on my way to believing.
