

# We Are Broken

Paramore

1. I am outside  
And I've been waiting for the sun  
With my wide eyes  
I've seen worlds that don't belong  
My mouth is dry with words I cannot verbalize  
Tell me why we live like this

Keep me safe inside  
Your arms like towers, tower over me, yeah

R: Coz we are broken what must we do to restore  
Our innocence and oh, the promise we adored  
Give us life again  
Coz we just want to be whole

2. Lock the doors  
Cause I'd like to capture this voice  
It came to me tonight  
So everyone will have a choice  
And under red lights I'll show myself it wasn't forged  
We're at war, we live like this

Keep me safe inside  
Your arms like towers, tower over me, yeah

R: Coz we are broken...

Tower over me  
Tower over me

And I'll take truth at any cost

R: Coz we are broken...
