

Whoa

Paramore

1. I've hoped for change
it gets better everyday
I've hoped for change
but still I feel the same
there's something wrong
cause everybody knows
that we can do this on our own.

R: And we've got everybody singing
whoa, whoa, whoa, whoa
and we've got everybody singing
whoa, whoa, whoa, whoa.

2. We're doing fine
and it gets better everytime
we're doing fine
but I'll let you decide
there's something wrong
cause everybody knows
that we can do this on our own

R: And we've got everybody singing...

*: And I'll confess
that I can be a little selfish
yeah I'll admit
I don't want you to help me through this
I don't want to start over again

Interlude: A E G#m (2x)

And we've got everybody singing...

R: And we've got everybody singing...

*: And I'll confess...
