- 1. I've hoped for change
 it gets better everyday
 I've hoped for change
 but still I feel the same
 there's something wrong
 cause everybody knows
 that we can do this on our own.
- R: And we've got everybody singing whoa, whoa, whoa, whoa and we've got everybody singing whoa, whoa, whoa, whoa.
- 2. We're doing fine and it gets better everytime we're doing fine but I'll let you decide there's something wrong cause everybody knows that we can do this on our own
- R: And we've got everybody singing...
- *: And I'll confess
 that I can be a little selfish
 yeah I'll admit
 I don't want you to help me through this
 I don't want to start over again
