

Nobody Listens

Pariah

(David Derrick, Jared Tuten, Kyle Ellison, Sims Ellison)
My head keeps spinnin' when I listen to your bitchin'
Never heard a word my dirty mouth spits
I'm crazy, wasted, I am lazy
No one hears what I say, I'm
[CHORUS]
Talkin' to myself when I say, kick and scream
Nobody listens
We can live some other way if you don't know
I bitch and scream, nobody listens to me
I don't pay attention to misinformation
The words we speak are always so degrading
There are things you ought to know but ya don't care
Speak your mind if you dare, I'm
[CHORUS]
I'm in a world gone mad, I never heard a place so sad
In a world where the people don't give a damn
'Cause they've got a free ticket to the promised land
I'm in a world gone mad
If you know we'll take you there
[CHORUS]
