

Aqua Boogie (A Psychoalphadiscobetabioaquadoloop)

Parliament

I am Sir Nose D'voidoffunk
I can't swim, I never could swim
I never will swim

Oh, put me down let go my leg
(Ha-ah, ha-ah, ha-ah)
I told ya will you shut up, I told ya I can't swim
Put me down, I hate water, no
Hah -ah hah -ah hah -ahhh
Will you shut up?

(Aqua boogie baby)
Never learned to swim
(Underwater boogie, baby)
Can't catch the rhythm of the stroke

(Aqua boogie, baby)
Why should I hold my breath?
(Underwater boogie, baby)
Feelin' that I might choke
(Ha-ah, ha-ah, ha-ah)

(Aqua boogie baby)
Things ya blow through
Because of things ya swim through
(Underwater boogie baby)
Why hold your Nose to spite your face

(Aqua boogie baby)
With the rhythm that makes you dance
To what we have to live through
(Underwater boogie, baby)
You can dance underwater and not get wet, oh
