Give Up the Funk (Tear the Roof off the Sucker)

Parliament

Seconds up and wakes me once again Wants me up just like a good old friend And I wait for sleep away in such a lovely day Thinkin' maybe I should call you up and say That I'd love to be with you today Nothing much to do here anyway Will you take me for a ride out to the country side Spend this lovely day together you and I I'm tryin to say, "I miss you baby" I can't wait to be with you Hey, my love I'm ready To spend this lovely day with you We could go out walkin' in the sun Holding hands now wouldn't that be fun, oh And shouldn't start to rain, well, head for home again And watch the world go by together you and I I'm tryin to say, "I miss you baby" I can't wait to be with you Hey, my love I'm ready To spend this lovely day with you Spend this lovely day Spend this lovely day With you I'm tryin' to say, "I miss you baby" I can't wait to be with you Hey, hey, my love I'm ready To spend this lovely day with you Oh no baby, I can't wait to be with you Hey, my love I'm ready To spend this lovely day with you Ooh baby, I can't wait to be with you
