

I've Been Watching You (Move Your Sexy Body)

Parliament

I've been watching you
Can't take my eyes off of you, girl
I've been watching you
I've been watching you (aiii)
The way you move your sexy body
I'm liking the things you do
The way you move your sexy body (aiii)
You would like you too
If you knew
How you move your body, yeah
Hey, hey, la la la, la la, la la la la
Heyyy, hey, aiiiii
la la la, la la, la la la la, yeah hey
Hey, hey, hey-heyyy
(hey, baby...)
Yeah, I've been watching you
The way you move your sexy body (just move your body close to mine)
I'm liking the things you do (move yeah)
The way you move your sexy body (just move your body close to mine, aiii)
I'd like to help you do
What you'll do
When you move your body
