

Let Me Be

Parliament

Let me be, let me be
Let me have my privacy
Let me be, hush, don't speak
Now, silently
I don't want to hear your voice
I don't want to see your face
I don't want to have no choice
In my mind, I want no haze
In a chair, in a chair
In a chair by the window
Let the sky be my sky
Let the moon be my halo
Let me love you upon a canopy
Let me love you upon a flower
Let me love you upon a canopy
Let me love you by the hour
Let me be, let me be
Let me have my privacy
Let me be, hush, don't speak
Now silently
I don't want to hear your voice
I don't want to see your face
I don't want to have no choice
In my mind, I want no haze
In a chair, Lord, in a chair
In a chair by the window
Let the sky be my sky
Let the moon be my halo
Let me love you upon a canopy
Let me love you on a flower
Let me love you upon a canopy
Let me love you by the hour
Let me be, said I do not care where I am
Please don't let the people find me
I don't want to be there
All I need, all I need, all I need is some air, yeah
Hey, see me by that old
Dirty funky window
Watching on people
Peeping on me
Lord, got to get away
Said, I've got to get some place
Where I can be free right now
I need, I need, I got to be free
