

## Let Me Be

Parliament

Let me be, let me be  
Let me have my privacy  
Let me be, hush, don't speak  
Now, silently  
I don't want to hear your voice  
I don't want to see your face  
I don't want to have no choice  
In my mind, I want no haze  
In a chair, in a chair  
In a chair by the window  
Let the sky be my sky  
Let the moon be my halo  
Let me love you upon a canopy  
Let me love you upon a flower  
Let me love you upon a canopy  
Let me love you by the hour  
Let me be, let me be  
Let me have my privacy  
Let me be, hush, don't speak  
Now silently  
I don't want to hear your voice  
I don't want to see your face  
I don't want to have no choice  
In my mind, I want no haze  
In a chair, Lord, in a chair  
In a chair by the window  
Let the sky be my sky  
Let the moon be my halo  
Let me love you upon a canopy  
Let me love you on a flower  
Let me love you upon a canopy  
Let me love you by the hour  
Let me be, said I do not care where I am  
Please don't let the people find me  
I don't want to be there  
All I need, all I need, all I need is some air, yeah  
Hey, see me by that old  
Dirty funky window  
Watching on people  
Peeping on me  
Lord, got to get away  
Said, I've got to get some place  
Where I can be free right now  
I need, I need, I got to be free
