Throw down, baby do the throw down
Throw down, baby do the throw down
Give the people what they want when they want
And they wants it all the time
Give the people what they want when they want
And they wants it all the time
Give the people what they want when they want
And they wants it all the time
Give the people what they want when they want
And they wants it all the time
Throw down, baby do the throw down
Throw down, baby do the throw down
Give the people what they want when they want
And they wants it all the time
Give the people what they need when they need
And the need is yours and mine
Give the people what they want when they want
And they wants it all the time
Give the people what they need when they need
And the need is yours and mine
Supergroovalisticprosifunkstication
Throw down, baby do the throw down
Slow down, baby can you slow down?
Slow down, baby can you slow down?
Slow down, baby can you slow down?
Give the people what they want when they want
And they wants it all the time
Give the people what they want when they want
And they wants it all the time
Give the people what they want when they want
And they wants it all the time
Give the people what they want when they want
And they wants it all the time
Supergroovalsticprosifunkstication
In other words [Incomprehensible]
Give the people what they want when they want
And they wants it all the time
Give the people what they need when they need
And the need is yours and mine
Give the people what they want when they want
And they wants it all the time
Give the people what they need when they need
And the need is yours and mine
Throw down, baby do the throw down
Throw down, baby do the throw down
Throw down, baby can you throw down
Throw down, baby can you throw down
Throw down, baby can you throw down
Throw down, baby can you throw down
Give the people what they want when they want
And they wants it all the time
Give the people what they want when they want
And they wants it all the time
Give the people what they want when they want
And they wants it all the time
Give the people what they want when they want
And they wants it all the time

Give the people what they want when they want
And they wants it all the time
Give the people what they want when they want
And they wants it all the time
Give the people what they need when they need
And the need is yours and mine
Give the people what they need when they need
And the need is yours and mine
Give the people what they want when they want
And they wants it all the time
Give the people what they want when they want
And they wants it all the time
Give the people what they want when they want
And they wants it all the time
Give the people what they want when they want
And they wants it all the time
Give the people what they want when they want
And they wants it all the time
