## Anti-matter (edited By Sonny R.)

Parokya Ni Edgar

I have a Mormon friend from Makati And he said he does not drink coffee I said hey that's okay You sleep better that way You're my friend then that's all that should matter

I have a Muslim friend in New York And she said she won't have any pork I said hey that's okay You'll stay healthy that way You're my friend then that's all that should matter

I have a Christian friend from La Salle At palagi siyang nagdarasal Na sila ay manalo against Ateneo He's my friend then that's all that should matter

One day I asked about what would they say If I told them I think I am gay They said hey it's okay If you're happy that way You're our friend and that's all that should matter They said hey it's okay We don't mind that your gay You're our friend and that's all that should matter
