One And Only You

Parokya Ni Edgar

It took One look And forever lay out in front of me One smile Then I died Only to be revived by you There I was Thought I had everything Figured out Goes to show just how much I know Bout the way life plays out Chorus: I take one step away And I find myself coming back To you My one and only One and only You.. Now I know That I know not a thing at all Except the fact that I am yours And that you are mine Oh, If you told me that this wouldn't be easy And Oh, I'm not one to complain Repeat chorus (except the last word) Repeat chorus
