

# Please Don't Touch My Birdie

Parokya Ni Edgar

Look!  
Up in the sky!  
It's a bird! Aaayyy!  
Bird Nga!

Kapag ako'y nababato  
Pinaglalaruan ko ang birdie ko  
Ang cute cute naman kasi  
Kaya ko siya binili

My birdie is my bestfriend  
Ang dami naming maliligayang sandali  
Madalas ko siyang pinapakain ng birdseed  
Mahal kita o birdie ko, 'wag kang lalayo

Don't touch my birdie  
Resist temptation please  
You don't have to grab my birdie  
Just call it, and it will come

Ang birdie ko ay nakakatuwa  
Parang cobra na mahilig mantuka  
Kapag nilabas na mula sa kulungan  
Tuloy-tuloy na ang aming kasiyahan

Di naman ako madamot talaga  
Ayaw ko lang na hinahawakan s'ya ng iba  
Ang birdie ko ay medyo masungit  
Konting hawak lang siguradong magagalit

Don't touch my birdie  
Resist temptation please  
You don't have to grab my birdie  
Just call it, and it will come

It will come

Huwag ka sanang magalit sa akin  
Tuwing ang birdie ko ay aking hihimasin  
Sana'y maunawaan mo  
Mahal na mahal ko ang birdie ko  
Pati mga itlog nito

Don't touch my birdie  
Resist temptation please  
You don't have to grab my birdie  
Just call it, and it will come

Don't touch my birdie  
Resist temptation please  
You don't have to grab my birdie  
Just call it, and it will come

It will come  
It will come
