You fit in your slippers
And not so good to look at

You fit in your slippers
And not so good to look at

He's a friend of Buwi's girlfriend from Iloilo
We picked him up in another hotel
His hair is wet from the shower

Red pants I love you

You fit in your slippers
And not so good to look at

She got a trucktor to Buwi
He said he'll meet his Mabolo friends from Iloilo
But the truth of the matter is he's not-ah
He's just going to fuck-ah

You fit in your slippers
And not so good to look at

Red pants I love you

You fit in your slippers
And not so good to look at

Not so, not so, not so good to look at
Not so, not so, not so good to look at
