## Track No. 1

## Parokya Ni Edgar

If you don't like this song Just press "skip" And this song Will be gone.

If you don't like this song Just press "skip" And this song Will be gone.

But you'll miss the first part Where recording an album becomes just like art But who cares? No, not you 'Cause you all want to listen to track number 2!

Where it starts to be fun Not like here in the middle of track number 1! Where it's dark and so cold... And the chorus is starting to get real old!

If you don't like this song Just press "skip" And this song Will be gone.

If you don't like this song Just press "skip" And this song Will be gone.

You're still here! That's just great! 'Cause you're here to enjoy What we did for art's sake!

And for that With no further adue We present Track no. 2! Adoo...
