

## Your Song

Parokya Ni Edgar

It took one look  
And forever laid out in front of me  
One smile and I died  
Only to be revived by you

There i was  
Thought i had everything figured out  
Goes to show just how much i know  
'bout the way life plays out...

I take one step away  
but i find myself coming back to you  
My one and only, one and only you...ooh...

Now i know

That i know not a thing at all  
Except the fact that i am yours  
And that you are mine

Ooh  
They told me that this wouldn't be easy  
And no  
I'm not one to complain...

I take one step away  
then i find myself coming back to you  
My one and only, one and only you

I take one step away  
but i find myself coming back to you  
My one and only, one and only you
