

# She Ain't Got No Money

Parov Stelar

She says she likes the way I talk,  
she really thinks I'm funny.  
She wants me and she wants my heart,  
but she ain't got no money.  
No she ain't got no money.  
No she ain't got no money.  
She says she likes the way I talk,  
but she ain't got no money.

Pretty girl, how you been?  
I've been diggin at you since the day I was ten.  
But now I'm only thinking 'bout benjamins  
and you ain't got none, no, no, no.  
Sexy lady - ain't got a dollar to the name.  
Sexy lady - ain't bring a dollar to the game.  
Really want to give you my loving and stuff7  
but you ain't gone none, no, no, no.

Yeah I've been working for too long  
now I'm gonna marry me the wealth.  
I'm gonna find that richest woman,  
I'm gonna take her on myself.  
I ain't gonna work, no, no, no, no, n-no.  
I ain't gonna work, no, no, no, no, n-no.  
I ain't gonna work.

Sip, sop, saddle up and seed low (?)  
Tell the pretty girl she won't be needed no more.  
Tell the pretty girl she won't be breedied no more.  
Tell the pretty girl to leave I won't be there no more.

Sexy lady - ain't got a dollar to the name.  
Sexy lady - ain't bring a dollar to the game.  
Really want to give you my loving and stuff  
but you ain't gone none, no, no, no.

Yeah I've been working for too long  
now I'm gonna marry me the wealth.  
I'm gonna find that richest woman,  
I'm gonna take her on myself.  
I ain't gonna work, no, no, no, no, n-no.  
I ain't gonna work, no, no, no, no, n-no.  
I ain't gonna work.

Ain't that the pretty doctor over there  
hanging out with the divorced lawyer long blonde hair  
Don't go to go score man just become friends  
and meet the wealthy women who hangs around with them.  
All of them rich, and deep in the wealth.  
Don't believe, please, come and see for yourself.  
And in the end if they ain't got no money it's:  
No, no, no.

Yeah I've been working for too long  
now I'm gonna marry me the wealth.  
I'm gonna find that richest woman,  
I'm gonna take her on myself.

I ain't gonna work, no, no, no, no, n-no.  
I ain't gonna work, no, no, no, no, n-no.  
I ain't gonna work.

Yeah I've been working for too long  
now I'm gonna marry me the wealth.  
I'm gonna find that richest woman,  
I'm gonna take her on myself.  
I ain't gonna work, no, no, no, no, n-no.  
I ain't gonna work, no, no, no, no, n-no.  
I ain't gonna work.
