

I Heart U

Parralox

Are you feeling it, please believe in me
I heart U and I want U 2
Are you feeling it, please believe in it
I heart U and I want U 2

So we try to solve the puzzle
Recreate it in our minds
When did things become so scary
Are we really flying blind

I can hear the calculator try try try
Undergoing calculations my my my

Are you feeling it, please believe in me
I heart U and I want U 2
Are you feeling it, please believe in it
I heart U and I want U 2
Don't know anyone, dont know anyone.
Are you feeling it, please believe in me baby!

Now that things are getting better
And the rain is far behind
We can dream about the future
Making real what is on our mind (what's on our mind)

Lover Filter Oscillator yeah yeah yeah
Do you want to shut me down?
I say no no no no no no!
