

Lovely

Parralox

I met you on Thursday, and yes it seemed so long ago
You cruel heart was melting, i thought you needed someone to hold

You don't seem to be the real deal
Completely at the mercy of your
Never ending lies
I dont why I hang around

You just want me around because I'm lovely (lovely)
Though you don't really believe in what you see
So you just want me around because I'm lovely (lovely)
I think that maybe it's time for me to leave (oh leave)
You don't really love me and you dont really need me
I've got to make a move
And I dont believe you when you say that you need me
I think that you have proved.

It sounds like you planned it, you seemed to know when I was low
We all know what that means, it means it's time for you to go
