

At The Bar

Parry Gripp

You can hang out, you can jump up and shout
You can hear an electric guitar
You can dance and sing and eat some hot wings at the bar
You can have a good time at the bar
You can jump up and down, you can lose your frown
You're at the top of the town at the bar
You can have a good time at the bar (ah-ah)
You can get pretty drunk at the bar
