

Beer In A Can

Parry Gripp

We want beer in a can
Always tastes so good
Beer in a can
Just the way it should
Beer in a can
So refreshing and light
(Beer)
Once you flip that lid
(Beer)
You're gonna be glad you did
'Cause (Beer) beer in a can tastes so right
(Beer)
Once you pop that top
(Beer)
You ain't never gonna stop 'cause beer
Beer in a can tastes so right
That's beer
