

# Goin' Campin'

## Parry Gripp

Grab your tennis shoes and your canoe and your old flat-top guitar  
You're fishing pole, your tent full of holes, and throw it in the  
Back of the car.

We're goin' campin', are you ready for some campin'?

Out in the woods, we'll have a heck of a time

We're goin' campin', are you ready for some campin'? Whoa-whoa.

Out in the woods, we'll have a heck of a time

- "Hey! Has anyone seen my canteen?"

- "I can't get the zipper up on my sleeping bag. I'll never stay warm

"

We'll eat hot-dogs and beans and swim in the stream

Swingin' on a rope and a tire

In the great outdoors, eating marshmallow s'mores

Laughing and a singing around the fire

We're goin' campin', are you ready for some campin'?

- "I got some bear spray."

Out in the woods, we'll have a heck of a time

- "Is it time to eat?"

We're goin' campin', are you ready for some campin'? Whoa-woah.

Out in the woods, we'll have a heck of a time

- "Where's the bathroom? Where's the- oh, I guess we don't need one."

We're camping! Woohoo!"

Lalalalalalalala [x2]

Lalalalalalalalalalalalalalalal

Lalalalalalalala [x2]

We're goin' campin', are you ready for some campin'? (YEAH! )

Out in the woods, we'll have a heck of a time

We're goin' campin'

- "Yoyo, put those matches down!"

I want no trouble camping. Whoa-woah

- "More lighter fluid, come on, more lighter fluid."

Out in the woods, we'll have a heck of a time. (YEAH! )

We're goin' campin', are you ready for some campin'? Whoa-woah.

- "Give me a snack!"

Out in the woods, we'll have a folk-brewin', frisbee throwin',

Tree huggin', root-beer chuggin', [?] of a time.

- "Where are the outlets, Mr. Ranger?"
