

## Leprechaun's Holiday

Parry Gripp

All the clovers green and all the girls are pretty  
Every road you walk is paved in gold  
And every stone you kiss tastes just like the Blarney Stone  
When you're drinking whiskey, it's a leprechaun's holiday  
Doo la roo ra yay  
Doo la roo ra yay  
When you're drinking whiskey, it's a leprechaun's holiday
