

Midnight Snack

Parry Gripp

Midnight snack
Put it in the back
Of your refrigerator
So you can eat it later

It's a midnight snack
Put it in the back
Of your refrigerator
So you can eat it later

It's a midnight snack (Snack)
Put it in the back
Of your refrigerator
So you can eat it later

It's a midnight snack (Snack)
Put it in the back
Of your refrigerator
So you can eat it later

Midnight snack (Midnight snack)
Midnight snack (Midnight snack)
Midnight snack (Midnight snack)
Midnight snack (Snack)

Oh yeah
