- "Oh, not very good, Parry, we've got first song jitters. We're not

Doing good at all."

- "It's very scary, Parry!"

- "Oh, well I can help you out. Here, uh, hand me that guitar."

- "Oh, here you go."

- "Alright, thank you, let's see here."

Uh, the first song on the album is the easiest.

- "Alright, you guys sing along, okay?"

- "Okay, Parry."

One, Two, Three, Well the first song on the album is the easiest.

All right, now you.

Haha. Okay, like the very first cold I had, it was the sneeziest.

Aw, that's good. (Ha) Well sing out loud and have no fear. If the

Neighbors don't like it they can cover their ears. If you close your

Eyes you can almost hear the cheers. [Applause] And the first song

On the album is the easiest.

- "Yay! Hooray, Parry! Let's hit it!"
