

Truck Drivin' Man

Parry Gripp

Early in the morning I'm out on the job
I've got a lot of work to do and I'll do it all, by God
Got mud on my wranglers and callous on my hand
Lord, I'm a truck drivin' man
Truck drivin' man
Truck drivin' man
You know I need a truck that works as hard as I can
Truck drivin' man
Truck drivin' man
Lord, I'm a truck drivin' man
